

Custom Written Word Search Puzzle With a Twist

Have fun with this word search that also combines a crossword puzzle. We've removed the word list and put in the clues that will help you re-establish it. Figure out the list from the clues and then find them in the puzzle. All the words in the list are in alphabetical order. You can also find words in the puzzle and then try and match them to the clue, but still fill out the word list as it will help you with the other ones. All letters are used. My email is at the bottom of this page. We'd love to hear from you. Tell us what you think.
